MAKE AN Impression

with our Texture Boutique™ Embossing Machine

It's embossing made easy!

The lightweight Sizzix Texture Boutique Embossing Machine works with the Textured Impressions Embossing Folders to transform ordinary cardstock, paper, metallic foil, or vellum into a textured masterpiece.

Don't forget to order the new Textured Impressions Embossing Folders in the occasions catalogue so you'll have everything you need to start creating with your new machine. *(See more Textured Impressions Embossing Folders in our annual catalogue.)*
